

# GREETINGS FROM GREEN

PUBLISHED BY THE GREEN YEAR-ROUND ELEMENTARY SCHOOL PTA  
JULY 13, 2009

## Help the PTA Make 2009-2010 a Great School Year

We need your help to run the programs and fundraisers that we have planned for the year. We have all kinds of opportunities to make difference at Green Year-Round:

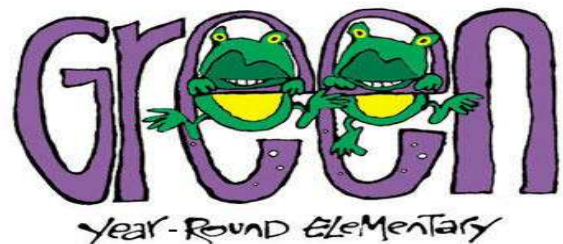

- **Stop by the school to do a specific task:** copy the newsletter, put up signs for upcoming events, gather and obtain order forms for a fundraiser
- **Organize or assist with a specific event:** Pool Party, School Dance, Spaghetti Dinner, Fun Run, Spring Fling
- **Work from home during the day or evening:** call or e-mail potential volunteers for an event, write newsletter articles or web site content, complete grant applications, enter directory forms
- **Gain leadership skills by directing an area:** Fundraising, Programs, or Family Involvement. We have parents who have led these areas in the past who would love to share their knowledge with you and get you off to a great start!

We have time-sensitive needs to find parents to help with upcoming activities that will get our school year off to a great start:

- **Tissues & Tears (for Kindergarten parents) - Monday, July 13th, 7:30 am (Tracks 1 & 3) and Monday, August 3rd, 7:30 am (Track 4):** We need parents to provide muffins or other breakfast foods and attend this morning event to welcome parents of Kindergarteners. If you have children already at Green, you have been through the transition to Kindergarten and know how great it feels to be welcomed right away. Please help get the year off to a great start for these families.
- **Back to School Pool Party- Sunday, August 2nd, 6:30 pm:** This annual event has been scheduled at Lake Park Swim Club. We need parents to make it the fun night that it has been each year! Parents who have planned this event in the past would be happy to share exactly what is needed to be done.
