

2009 Green Year Round Go Green Committee

We are so excited about kicking off our **GO GREEN** effort at GYR! We want use this as a way to help further educate and raise awareness of what everyone can do. We want our children to know that their actions do make a difference!

On Average, a person uses 300-700 plastic bags a year! Have you ever thought or asked where do they go? They do not ever fully decompose so they end up in our waterways, in landfills, etc. We can make a difference. Did you know that if we reduce the single bag use – we'd also reduce our oil consumption! I hope you've seen the facts I've put in the Greetings For Green, as there are tons more facts out there.

So to make one habit change simple for you – we're kicking off our effort with a bag sale! 50% of the profits come back to the PTA.

- ✓ **Cost:** \$5 - only offering the Original style
- ✓ **Turn all forms and money by:**
 - June 11th.
 - Track 1 can turn in before they finish school. If it's after, we can work out getting the bags to you conveniently.

Instructions:

Have your child collect orders along with payment from friends, neighbors, family and co-workers. Please accompany your child while doing this. Keep track of your orders on the form provided. If you need extra forms they are available in the teachers' workroom and attached to this message.

We will send home the bags after the orders are turned in so you can have them before the school year ends. Feel free to turn in orders periodically and continue to sell them until June 11th. This way you can have some to show others when telling them about it.

- Our hope is to educate on different areas and offer suggestions to improve it.
- The money raised will go into funding Green projects at the school.
- We'd love as many kids and parents involved as possible through out the year.
- Are there things you'd like to suggest?

Thank you for your involvement! Please contact Jean Farrell 847-5147 or pjfarrell@mindspring.com

This reusable shopping bag is Designed to be Unforgettable and is small enough to fit in your pocket. The carabiner easily hooks to a backpack or keychain.

ChicoBag™
