

SCHOOL DIRECTORY 2009-2010

Your PTA is in the process of putting together a school directory and we need your help. In an effort to have the most accurate & complete directory as possible, please complete the form below by printing the information that you would like in the directory.

Our annual directory is used as a resource for PTA/school related events. It's also a great tool to keep parents in touch, which is critical for the success of our school. Your contact information in the directory will be for the sole use of the GYR students, staff & parents. It is not intended to be used for any commercial purposes, sales promotions, solicitations or business contacts. If you have questions, please contact Stacey Cochran (staceylynn@mindspring.com; 877-3127).

Please print neatly!

Student Name: _____
